For Immediate Release

Chantilly, VA

Cynthia Melocik, ARM, Promoted to Regional Director

We are proud to announce that Cynthia Melocik has been promoted to the newly-created position of Regional Director. She will continue to report to Tom Konopka, Senior Vice President, Business Development & Marketing.

In her new role, Cynthia's expanded responsibilities include directing and managing Medmarc's competitive analysis function, co-leading customer intimacy and growth initiatives with Dianne Ennella, Assistant Vice President, Insurance Operations, mentoring her department associates and serving as a Company spokesperson at medical technology and life sciences industry events. In announcing Cynthia's promotion and new responsibilities, Tom Konopka stated: "Since joining Medmarc Cindy has distinguished herself as a team player, self-starter and customer focused professional. Her experience and commitment to excellence make her well qualified to be our department's Regional Director".

Cynthia joined Medmarc in 2000 as a Business Development Specialist and held several progressively more responsible positions, including Territory Manager. A Certified Insurance Counselor (CIC), she also holds the professional designation, Associate in Risk Management (ARM).

About Medmarc

Created in 1979 by the healthcare technology industry, Medmarc's purpose is to be the superior provider of liability insurance protection and related risk management services at consistently fair prices and to support the development, testing and delivery of products that save lives and improve the quality of life. Further, through strategic alliances with The Hartford and Biomedic-Insure, a France-based European clinical trial insurance specialist, Medmarc policyholders benefit from seamless, comprehensive property and liability insurance protection, loss prevention services and claims management tailored to the needs of life sciences technology companies.
