For Immediate Release

Chantilly, VA

Lynn T. Carney, Promoted to Manager, Business Development & Marketing Operations

We are pleased to announce that Lynn Carney has been promoted to the newly-created position of Manager, Business Development & Marketing Operations. She will report to Tom Konopka, Senior Vice President, Business Development & Marketing and continue to work closely with George Ayd, Assistant Vice President.

In this role, Lynn's additional responsibilities include managing the research performed by Medmarc's Business Analyst employees who develop leads and prospects for our brokers, serving as the liaison with industry trade associations and overseeing the department's administrative function. In announcing Lynn's promotion and new responsibilities, Tom Konopka stated: "We recruited Lynn to help us capitalize on our strategic alliances with The Hartford and BioMedic-Insure, broaden our relationship with AdvaMed, the world's largest medical technology association and be a ready resource to our brokers". George Ayd also commented: "In a short period of time, Lynn has proven herself to be a valuable resource to our brokers. Lynn's focus on delighting our brokers, resolving problems and reliability are key assets which will allow her to excel in this new position."

Lynn joined Medmarc in 2008 as the Company's Broker Advocate/Account Manager. A former broker with a Northern Virginia commercial insurance firm, Lynn holds a Bachelor of Science degree from Virginia Tech. When not advancing Medmarc's mission to be the superior provider of liability protection and related services to the medical technology and life sciences industry, Lynn enjoys hiking with her family.

About Medmarc

Created in 1979 by the healthcare technology industry, Medmarc's purpose is to be the superior provider of liability insurance protection and related risk management services at consistently fair prices and to support the development, testing and delivery of products that save lives and improve the quality of life. Further, through strategic alliances with The Hartford and Biomedic-Insure, a France-based European clinical trial insurance specialist, Medmarc policyholders benefit from seamless, comprehensive property and liability insurance protection, loss prevention services and claims management tailored to the needs of life sciences technology companies.
